

TITLE

TEENAGERS' UNIVERSE

SHORT DESCRIPTION

In this project we would like to create a web magazine, prepare CDs and PowerPoint presentations, collect information, photos and material about ourselves, our schools and our cities. The pupils would talk about their everyday and school lives and describe their interests, culture and traditions. They would compare and contrast them to talk about the ideas and beliefs they share.

WORK PROCESS

Collecting materials and information, taking photos, preparing posters.

Sharing ideas, writing and sending messages.

Preparing PowerPoint presentations.

Looking for information and preparing the material in class.

Writing emails or blogs

Recording CDs

Creating PowerPoint presentations, web pages,

Sharing information and responding to it
